Dear CESA Member,

The California Emergency Services Association (CESA) is excited to host the 2025 Annual Conference and Training at the San Francisco Airport Marriott Waterfront in Burlingame from May 5–8, 2025. The CESA Annual Conference and Training brings together emergency management professionals across various sectors to enhance collaboration, share emerging strategies, and strengthen all-hazard planning, response, and recovery efforts.

As part of this year's conference, we invite you to contribute a donation—a token gift from your agency or local area—to showcase California's rich diversity. These donated items will be used for gift opportunity drawings throughout the week, enhancing attendee engagement while representing the many unique communities across our state. Challenge coins, patches, and local goodies are just a few ideas, but we welcome any item that reflects the character of your area.

If you are able to contribute, or if you have any questions, please contact Jorge Rodriguez, Conference Chair, at jorge.rodriguez@sonoma-county.org or 805-704-0405. You can also fill out our online donation form at: forms.office.com/g/eUDPmDdEL0.

For those attending the conference, you can bring your donated item with you. Alternatively, you may mail your contribution to Jorge Rodriguez, who will ensure it reaches the event. All mailed items must be received no later than **Thursday, May 1, 2025**.

Your support makes a difference! Thank you for your generosity and for helping to make the CESA 2025 Annual Conference and Training a success.
